

Wanted: Associate Accounting & Controlling (m/f/d) part- or full-time

Accounting & Controlling self-starter in part- or full-time

We are growing and have ambitious plans for the future. Do you want to support us on our thrilling journey towards effective impact finance? Are you eager to work in an agile and dynamic impact enterprise? If so, we are looking for you to join our enthusiastic and multicultural team! We are based in Frankfurt, Germany, with hubs in Berlin and Cape Town, South Africa. After an initial onsite onboarding, we are open to explore remote work options.

Roots of Impact - Effective. Impact. Finance.

Roots of Impact is a specialized advisory firm dedicated to making finance work for positive impact on people and planet. We collaborate closely with public funders and impact investors across the globe to scale high-performing enterprises and innovations with strong potential for impact. As pioneers of Impact-Linked Finance, we are passionate about the most effective use of public funds and catalytic capital. While we are primarily working with investors and funders, we deeply understand and care for the needs of impact entrepreneurs, too.

Your opportunity

You don't have to be an impact finance wizard to fill out this role. Our future Associate Accounting & Controlling will be supporting our Operations Team in optimizing our internal operations for the next growth step of our company. She/he will fill an exciting role that includes the following responsibilities:

- Contribute to optimizing our operations, especially in the field of Accounting and Controlling
- Support in forecasting, controlling and reporting
- Assist the project teams in reporting and planning activities
- Take over certain internal accounting processes; collaboration with tax office
- Administrative, communications and IT-related tasks
- Other tasks depending on your personal potential and interests

What you should bring:

- Passion for making finance work for positive impact and become an integral part of our team and vision
- A degree in business/accounting or equivalent training/experience
- At least 2 years of relevant professional working experience
- Excellent knowledge of Excel, paired with a great analytical skill set and attention to detail
- Curiosity, drive and ease to work in different cultural contexts
- Fluency in English. German language skills are a plus
- Knowledge of DATEV is a plus
